Certifications:

Fiche technique:

Mounting	Pole-mounted Ø60mm
Voltage	230V
Power	204
Insulation class	I - (II - OPTION)
Power Factor	greater than 0.95
Luminous flux	24144Lm
Type of light source	LED
CRI	Greater than 80
Driver included	Yes
Lifetime	100 000h L90B10
Color temperature	3000K/4000K
Dimming	OPTION
Angle	5 optics with asyetric beam
IP	65
IK	08
Operating temperature	-20 ... +40°C
Material	Polycarbonate
Weight	4,90
Size	Diameter 500x555mm
Energy label	A++
RG	RG0
Warranty	5 years
